

ROOM 2 2010

Term 1

Dear Parents & Caregivers

Welcome back to term 1 2010. I hope you all had an amazing holiday and took advantage of the lovely weather. Our 'Big Idea' for the term is Relationships, we will discuss the child and their relationships with their friends and family and the environment.

Meet the Teacher Evening will be on Thursday 18 February at 5.15 at school and it is hoped that as many as possible of you can attend.

Newsletters always go home on a Thursday. Many of these are emailed now, so make sure you collect it from your in box or child's bag. These are full of information and dates of events happening at school and in the community.

Library books will come home on a Thursday and students need to return these books weekly. Books must be returned before new ones will be issued.

Reading books will be sent home Monday to Thursday and a poem on Fridays. Book bags need to be returned daily.

From Monday 8th February the pool will be open and we will be swimming every afternoon while the weather is good. Everyone will be encouraged to swim. Please ensure your child has togs, towel, goggles (if worn) and a plastic bag to put wet togs in. If all clothing is named it will help considerably. An easy way to do this is pen on the labels.

Have a lovely term and if you have any queries please feel free to phone school for an appointment or pop in and see me.

Enclosed is an overview for the Cool Bananas programme for term 1.

Yours sincerely

Sue Walmsley
