

Celebrating our Success

Listening to others

Room 4 Term Newsletter July 2010

Dear Parents, caregivers,

First of all welcome back from the break; last term was busy and exciting with the Junior Production and the Magical Show on the last day. We have another busy term ahead and it has been great this week to see the students eager to participate in their learning.

What's Happening this Term in Room 4?

Maori Language Week is next week. Children will be involved in a range of activities related to improving their own language skills, usage and knowledge of things Maori.

Speeches. All students will be expected to write a speech on their own chosen topic for the speech competition to be held this term in week 4. A notice will be sent home closer to the time. Students will look at, discuss and practice the structure for writing a speech in class. We will begin speech writing in class towards the end of next week. Parents could assist their child by talking to them about their topic.

Hiwi the Kiwi visit on Thursday 26th August. The show will focus on safety in the water, sustainable fishing and conservation of our marine areas.

School Clubs begins week 3. The aim is for students to develop key skills in communication and participation. By working together they will develop a sense of belonging to a group and experience the different roles and responsibilities people have within groups

Junior KRSA The yearly dance off at Oropi will again be a feature for this term. Students as part of our PE programme will be learning new dance routines.

Parent helpers

Thank you so much to the parents who found the time to help last term with baking. We will be having a break from fundraising this term.

Noho ora mai Ana Garbes
