

Dear Children and Whanau of Room 8.

Congratulations! We are half way through the school year.

I look forward to hearing all about the fun activities families get up to over the break when school returns on the 19<sup>th</sup> of July.

Over the holidays, I urge children to keep up their daily reading and to practise their basic facts; 5-10 minutes a day would make a positive difference. The website [www.smartkiddies.co.nz](http://www.smartkiddies.co.nz) will be updated over the holidays so you can keep challenging yourselves and earning more points. Also remember there is our delicious page with links to educational websites if you need some activities on a wet day.

Make sure when you return to school you have your 'tools of the trade' ready to go.

Ka pai to all the students in Room 8 for their efforts this term to improve their learning, organisation skills and behaviour. You guys deserve a holiday!

Take care and I'll see you all next term.

Miss Peterson
