Dear Parent/Caregiver,

Re: Bus Breakdowns

Unfortunately this morning we had yet another breakdown of the bus and the run to pick up our students on the 2nd bus was ½ an hour late. We apologise for any inconvenience this may have caused.

The school bus contract is managed directly by the Ministry of Education not Pyes Pa School. We have submitted a written complaint to the bus company and to the Ministry of Education, as we also find this unacceptable.

We hope that the bus company and the Ministry of Education will acknowledge our concerns and address the problem.

Thank you for your understanding in this matter.

Kind regards

Brendan Clarkin
